

ONE PROGRAM.
ENDLESS REWARDS.

The **My Choice Members Rewards Program** is a tiered Members Rewards program that is exclusive to Seagulls members.

You are recognised and rewarded when you use your membership card at Seagulls. It's one of our ways of saying "Thank You" for your loyalty to your Club.

THE GREATER THE POINTS, THE GREATER THE REWARDS

There are 5 different levels or tiers in the My Choice Rewards Program. The level you are on is based on the points you have earned. The more points you earn, the higher the tier and the more Rewards you receive. The five levels are Red, Silver, Gold, Black and Black Diamond, with Black Diamond being the highest level.

Levels are reviewed each month and you can move up to a higher level at this time. Members can move up tiers monthly.

What's my level?

You can check what level you are on at any membership kiosk in the club.

What are the benefits?

The more points you earn, the higher the tier and the more rewards you receive. Benefits include exclusive offers and promotions for different tiers, VIP dinners, complimentary drinks and more.

Members will be notified of events and exclusive offers on a regular basis.
